

Build your own movable Kid Hope.

Additional supplies:

Card Stock paper

Mini-Brad fasteners

Scissors

Needle (optionsl)

Instuctions:

1. Color all parts
2. Cut out each piece

3. ADULTS ONLY, SHARP OBJECT

Poke each black dot with a needle. This makes it easier to push the brad fasteners through.

4. **ADULTS ONLY, SHARP OBJECT** Carefully put each part together with the brad fasteners.
